The President and other invited guests to the Winchester Fair, will arrive about 11 o'clock on Wednesday by special train, and will progeed at once to the Fair Ground .-At night the President will receive visitors at Gov. Holliday's residence, after which he will return to Washington in a special car provided by the B. & O. authorities.

The largest crowd ever in Frederick City, Md., was in attendance at the Fair there on Thursday-so pronounced from the stand during the trials of speed. We had the pleaure of being there, and enjoyed the hospitality for which its citizens are proverbial. The fair was a grand success - the exhibits, as usual, among the very best, the order excellent and plenty of people in attendence.

AT HIS POST .- We publish below a letter just received from Mr. W. T. Aisquith by his father. He is facing Yellow Jack manfully, and has taken his place among the heroes who have stuck to their posts and are battling against the terrible scourge : BOLTON, MISS, Oct. 5th, 1878.

Dear Pa: -So far I have escaped the fever. It is fearful here and all around us. While it is abating in Vicksburg and smaller towns, it is raging in the country. Warren county, and part of Hinds, is nothing but a hospital, whole families are down, negroes and whites are sharring the same fate. On the Bolton plantation, near here, it has almost exterminated the negro race. We have fine physicians and nurses. At first we were obliged to nurse our sick, but now we have Vicksburg nurses and are doing very well .have my hands full-am 1st Vice-President of the Howard Association, have charge of the nurse corps, and as the Postmaster is down, and will die. I have been appointed Deputy Postmaster; these duties combined with my regular duties keep me on the go .-* * * We are all praying for frest, as nothing but frest will abate the fever. The

These results are accomplished by mothing so effectively as Hostetter's Stomach Bitters, which long experience has proved to be the most reliable safeguard against fever and ague and kindred disorders, as well as the best remedy for them. The Bitters are, moreover, an excellent invigorant of the origina of urination, and an active depurent, eliminating from the blood those acrid impurities which originate rheumatic ailments.

PETERSON'S MAGAZINE, the chespest and best of the Ladies' Books, is on our table for November. The principal steel engraving, "For Mother's Fire," is rarely beautiful. So, also, is the mammoth colored steel fashion plate. But, as a contemporary says, the stories, the fashions, the patterns, in short, everything in "Petersou's." is the best of its kind. For 1879 a monthly Supplement will be given, containing a full-sized Paper Pattern for a lady's, or child's dress, thus giving to every subscriber twelve such patterns, extra, during the year. These patterns alone will be worth the subscription plice. Five original copy-right novelets wil also be given, besides a hundred shorter stories. Among the novelets will be one by that celebrated author. Frances Hodgson Burnett, and another by the author of "Jo-iah Allen's Wife." The price of this Lady's Book is but Two Dollander. To Clubs the prices are greatly reduced for 1-79, viz: two cepies for \$3.50, with a superb Mezzotint (24 meifes by 29). "Christ Biessing Little Children." the finest and costlest ever offered, to the person getting; or four copies for \$6.50, and an extra copy to the person getting up the club. CHURCH MATTERS -The 3rd Quarterly Meeting for Shepherdstown Circuit, M. E. Church South, will belield at Uniouville, Ootoher 16th and 20th, 1878.

Services have been conducted during the past week by Rev. Dr Head and Rev. S. G. Ferguson, at the Methodist Church, this place. They will be continued during the present week.

The Secrement of the Lord's Supper will be administered in the Presbyterian Church on Sunday morning, October 20th-preparatory services commencing on Friday pre-

We learn that the Rev. Mr. Crouse has been conducting a series of meetings at the Protestant Methodist Church, Leetown, during the past week. Much interest has been manifested and a goodly number have been converted. The meeting will be contiqued during this week.

The Free Press says :

Right Rev. J. J. Keane, the recently consecrated Catholic Bishop of the Diocese of Virginia, visited Harper's Ferry on Tuesday week. In the evening of the same day the St. Peter's Catholic Church was the scene of a large gathering of people to hear one of those ably prepared and eloquently delivered discourses for which the Bishop is noted.

The services morning and evening of Sunday last, of the Protestant Episcopal Church in Harper's Ferry, were attended by very large congregations. The services were conducted by Bishop Peterkin, assisted in the morning by Rev. Mr. Leavell, and in the evening by Rev Mr. Mcade and Rev. Mr. Leavell. The Bishop preached on both ocessions, winning golden opinions from all who heard him, and doing, it is believed, a good deal of good. Episcopal services will next be held in the same place -the Lutheran Churchon Sunday, 27th inst, the fourth Sunday in the month, at 34 o'clock-the Rev. Mr. Meade officiating.

CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy, for the speedy and permanent cure of consumption, bronchitis, catarri, atthma, and all throat and lung affections, also a positive and radical cure for nervous debility and all nervous complainte, after nervous debility and all nervous complaints, after having tested its wonderful curative powers in thousands of cases, has left it his duty to make it known to his suffering fellows. Actuated by this motive, and a desire to relieve human suffering. I will send, free of charge, to all who desire it, this recipe, with full directions for preparing and using, in German, French, or English. Sent by mail by addressing with stamp, naming this paper, W. W. Sherar, 149 Howers' Block, Rochester, New York. MESSRS FAULKNER & CRAIGHILL:

MESSRS FAULKNER & CRAIGHILL:

I have been prescribing Camm's Emulsion in cases of Phthesis (consumption) and scrofulous affections generally, for several months, and find it superior to any other preparation of Cod Liver Oil I have ever used. It possesses all the valuable properties of the best cod liver oil combined with the hypophosphites and iron. One of the most valuable properties of this preparation is, that it is less offensive to the stomach than any other preparation of cod liver oil I have ever administered in a practice of more shan thirty years. I am satisfied from the experience I have had with it, that it is the best now extant for diseases requiring a nutritive tonic and alterative treatment.
